Venue Description

The WDHS Conference and Education Centre offers the perfect environment for any meeting, conference, function or social event.

Our state of the art Centre offers a suite of venues catering for a range of purposes including lectures, presentations, meetings and conferences. There is a fully-appointed, 106 seat auditorium, two seminar rooms that can be used as separate spaces or opened up to create one large space, a small meeting room and a foyer ideal for registration, tea breaks and meals.

Our corporate boardroom is a purpose built room with a set boardroom table to accommodate 14 people. The boardroom has video conference facilities and a digital whiteboard, perfect for board meetings and discussion groups. Our computer training room is equipped with 6 PC's and is fully networked with data projector, whiteboard, printer and internet access.

Location

The WDHS Conference and Education Centre is located only minutes from the centre of Hamilton.

Facilities

- The Centre has its own car park, along with sites for the disabled
- Automatic doors open directly off the car park
- The disabled are well catered for with wheelchair access and toilet facilities
- The first four rows of the auditorium has a 'hearing loop' for the hearing impaired

Technical Facilities:

Our auditorium has touch-screen technology which allows for the use of PC's, video conferencing, slide projectors, TV, VCR, CDs, cassettes and radio. Presentations in the auditorium can be simultaneously viewed in both seminar rooms and recorded. The sound and lighting are all operated by the same touch screen and, along with the acoustics, are excellent.

We also have data projectors, tele conferencing and video conferencing equipment that can be used throughout the Centre.

Conference & Banquet Facilities:

A wide choice of excellent catering at an additional cost can also be arranged
