## door knock appeal

raising funds for the

# MRI FOR U&I

project

An MRI in Hamilton will ensure locals like the Uebergangs can access scans and specialist treatment close to home

“Help WDHS kick goals for our community”

After five knee and two shoulder reconstructions, Noah and Luke Uebergang have had more MRI's than they can count. Like many others, the Uebergang family have travelled thousands of kilometres for diagnostic scans. With your help, the inconvenience, discomfort, financial costs and delays associated with travelling for an MRI will soon be a thing of the past.
