

## MEDICARE INELIGIBLE PATIENTS

WDHS is a public health care facility.

Any patient who is not eligible for Medicare benefits will be required to pay WDHS **for all medical care and services**.

This includes all outpatient visits, emergency department attendances as well as inpatient care and accommodation.

Overseas visitors are treated as a Medicare Ineligible Patient, unless they are from a country that Australia has a Reciprocal Health Care Agreement with.

**A MEDICARE INELIGIBLE PERSON** is any visitor to Australia who:

**DOES NOT** hold a valid Medicare card,

Or **DOES NOT** fall under one of the following classifications:

- Reciprocal Rights

- Diplomats
- Overseas Students

- **Reciprocal Rights:** the Australian Government has Reciprocal Health Care Agreements with the governments of the United Kingdom, New Zealand, Republic of Ireland, Sweden, the Netherlands, Finland, Belgium, Norway, Slovenia, Malta and Italy.

Visitors from Malta & Italy are covered for Medicare for a period of six months from date of arrival in Australia.

- **Asylum Seekers and Refugees:** Asylum Seekers and Refugees are provided with free medical care (including diagnostic services) in Victorian hospitals. Asylum Seekers/Refugees will need to produce appropriate documents of Immigration and Citizenship or a recognised asylum support agency, such as Red Cross. If this document is not produced, you will be expected to pay for all medical costs; however the fee will be waived once the documents are presented.
- **Diplomats:** Diplomats and their families are covered by Medicare for medical care as private patients in a public or private hospital. Such persons are eligible for, and generally will hold, a Medicare card.
- **Overseas Students:** All foreign students studying in Australia, with the exception of students from Sweden and Norway, are required to take out Overseas Student Health Cover (OSHC).
