

## Annual Procurement Activity Plan 2023-24

Western District Health Service are looking to develop long term partnerships with suppliers that are adaptable and innovative, who take accountability, and who can help deliver real and lasting value.

To effectively and efficiently procure goods and services across the organisation to obtain the best value for money and economies of scale, Western District Health Service procurement activity plan is aligned to its priorities and strategies.

When sourcing goods and services from the market, Western District Health Service are committed to open, fair, and transparent sourcing processes.

This annual Procurement Activity Plan provides a summary of the major procurement activities in the non-salary area of organisational expenditure and provides potential suppliers advance knowledge of the likely procurements in this financial year.

The annual Procurement Activity Plan will be reviewed and updated as required, based on the best information available at the time of publication.
